From your plane, take the underground tram to the “baggage claim” stop. After exiting the tram, take the escalators going up, and follow the signs directing you to your airline’s baggage claim carousel.

After retrieving your luggage from baggage claim, proceed towards the **North (Blue) Terminal**, and take the escalators going down near baggage claim to the Airport’s lower level, follow the signs for Ground Transportation/Taxis/Buses/Shuttles/Uber/Lyft. As you exit the building, the shuttle bus that will take you to your car will be WHITE in color with “Park and Fly Plus” on the side with the word “PLUS” very prominent in large red letters.

The vehicle has been left under your name. When you arrive at PARK AND FLY PLUS, go to the cashier’s counter inside the building and tell them your name. Your vehicle will then be brought to you.

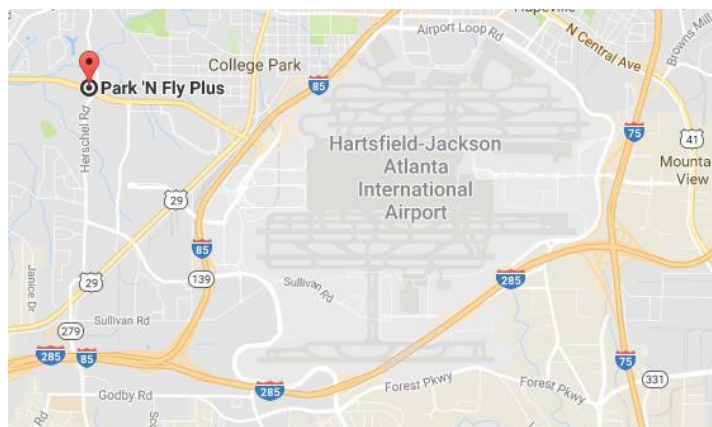

Note for International Terminal Arrivals:

As you come out of customs, exit the Main Terminal, and look for **ORANGE ZONE #2**. The Park and Fly PLUS Shuttles are continuously arriving every 15 minutes. If you have a late-night flight, and don’t see a shuttle for more than 15 minutes, please call 404.761.0364 and let the operator know you are waiting for a shuttle at the International Terminal.
