To Pick Up a Vehicle

When exiting baggage claim, proceed across the first pick-up lane to the second tier which is the shuttle pick-up lane. Flag down a “Fast Park 2” lot shuttle (this is the old red lot). It should be Green and White with Fast Park 2 written on the side.

There is also another parking lot named “Fast Park” (this is the old blue lot). This lot is only used by NAVS if the Fast Park 2 lot is full.

Shuttles cycle by every few minutes. If none come by give them a call (410.691.3333). Tell the driver that a vehicle was dropped off for you at the Fast Park 2 lot and the key was left at the attendants’ booth. When you arrive at the booth ask the attendant for the envelope left in your name with the key and a parking stub.
